

SAN FRANCISCO TOWNSHIP NEWS

April 2018

WHAT SHOULD WE DO WITH OUR TOWN HALL?

Our township hall is showing its age. What should we do?

- **Make minimal repair? (Safe and up to code)**
- **Improve and update? (add amenities for comfort and aesthetics, i.e. bathrooms)**
- **Bring back to its former glory? (rehab, rentable for public use, i.e. picnic park)**
- **Keep as is or find another location for meetings and voting?**

The town board has directed the SF Township Citizen Advisory Committee to check into different possibilities for our town hall. They would welcome input from the residents as to what they envision for the future of our facility. Send your ideas and questions to:

Heidi Schmidt @HeidiSFT@gmail.com

Issues on the Horizon

Some residents have raised concerns about solar farm and other developmental impacts and would like to look into a Township Ordinance to address these issues. Your feedback is important. How do you feel about large solar farms? How close to residences should they be? How large? Limits concerning absentee owners? Do we need an ordinance?

WE NEED YOUR INPUT AND FEEDBACK. ATTEND MEETING OR CONTACT:

Heidi Schmidt: HeidiSFT@gmail.com

FREE WATER TEST KITS BEING SENT BY CARVER COUNTRY TO ALL RURAL RESIDENTS WITH PRIVATE WELLS!! WATCH YOUR MAILBOXES!

Citizen Advisory Committee

The committee is looking for additional members to get a better representation of the township (1 meeting a month). It is also looking for your ideas on township planning.

Would you like to volunteer? Anything you would like to see happen in our township?

**NEXT TOWNSHIP BOARD MEETING
MAY 21, 2018 @ 7:00 PM
SF Town Hall 17380 Homestead Road Carver**

Welcome!

to the first edition of the
San Francisco Township News

Ever wonder what is happening in our township? When are the meetings? Where? What is the board doing? Is something new happening that you should know about? Any concerns? Well, this newsletter is designed to keep you up to date. It will be coming out quarterly as a new communication tool to keep our residents in the know. Can't wait for the next newsletter to come out? You can also keep up to date by going to our website at:
