## WHERE OR WHERE TO PUT THE SNOW

**Snow will be coming soon....and where to pile that snow when clearing your driveway?  
DO NOT PLOW IT ACROSS A TOWNSHIP ROAD INTO THE DITCH. RIDGES CAN CAUSE DAMAGE TO  
THE SNOWPLOW AND CAUSE OTHER PROBLEMS.**

Minnesota Statute 160.2715 prohibits the plowing, blowing, shoveling or otherwise placing of snow from sidewalks, driveways and parking lots onto or across public roads into the right-of-way ( in general 33 feet from the center of the road).

Snow dumped, plowed or shoveled onto a road or road right-of-way can create a hazard for both motorists and snowplows. Snowplows have been damaged by hitting compacted snow. Please ensure that snow from your property or equipment is not pushed or dumped onto the right-of-way.

**Please find a spot on your property to pile the snow and keep it off the Township roads and out of the township ditches. Thanks for keeping our roads and plow drivers safe.**

**Check out our WEBSITE and sign up to receive the newsletter by email!!**
