

San Francisco Township Special Meeting Minutes
Sept 30, 2021

Board members convened at 4:40PM. Present were Board members: Larry Schmidt (presiding), Scott Selken, Andy Olson and Clerk: Heidi Schmidt, Jason Hill was present on zoom. Larry called the meeting to order.

Board members all received a copy of the judgement acquired by the town attorney (Jason Hill). This judgement was found before a Real Estate Closing for a lot on 174th St in August. The judgement was recorded Oct 4, 2011. A claim was brought against the township for a tax assessment. The court dismissed the case and awarded the township \$1000 for attorney fees. A judgement stays on record for 10 years. Attorney advised not pursuing civil action for payment as cost may exceed award. Township advised not to sign a release for a judgement that was not paid.

A motion was made not to pursue civil action against Brad Jenssen for the recovery of the judgement within the 10 yr period allowed by statute. Second. Carried.

Additional attorney comment: No government entity could release a judgement within days because they are bound by procedural rules. It is not the township's fault that this was not dealt with earlier in the Real Estate transaction.

Meeting adjourned 5:01

Respectfully submitted

Heidi Schmidt

San Francisco Township Clerk
