

San Francisco Township - Carver County - MN

2020 San Francisco Township - Resident Dust Coating Program

May 13th DEADLINE

San Francisco Township will again make the Dust coating program available to it's residents on gravel. The program guidelines are as follows: The longer the stretch of road coated, the greater the discount. This program only allows for a discount with a continuous application, with no breaks, partnering with your neighbor is encouraged for a larger discount. **One person will need to represent each invoice and submit One Check payment for the entire group.**

Private roads within the township may apply for the discount. We will also dustcoat driveways within the township, but there will be NO discount. Non-residents on our boundary roads will not receive a discount.

Please remember You Are Electing to Dust Coat at Your Own Risk. San Francisco township will try to avoid grading any roads that are treated, however if any roadway gets rough and needs grading or other repairs after it has been coated, no reimbursement will be given. **No Exceptions.**

The dust coating bill must be paid for, to the Township Clerk by May 13th.
Apply the following discount to the payment you submit.

Driveways and less than 100 ft	pay .75 / ft
100-500 continuous feet	pay \$51 / 100 ft
501-800 continuous feet	pay \$45 / 100 ft
801-2500 continuous feet	pay \$40 / 100 ft
Over 2500 continuous feet	pay \$33 / 100 ft

You must mark the footage to be Dust Coated with highly visible stakes. Start and stop points.

Please return this application with Payment by May 13th to:

San Francisco Township - ATTN: Heidi Schmidt - 18980 County Rd 40 - Belle Plaine, MN 56011
