

San Francisco Township - Carver County - MN

2026 San Francisco Township - Resident Dust Coating Program

May 8th DEADLINE

San Francisco Township will again make the Dust coating program available to township residents living on gravel roads. The program guidelines are as follows:

- The township has contracted a company to do one application this spring.
- Standard Application width is 20ft. Cost is \$1 per foot.
- A 10 wide spray is available for 80c per foot for driveways and narrow roads.
 - Please specify if this is the width you want.
- Any application done through SFT over 150ft will receive a 40% discount
- Partnering with your neighbors is helpful and encouraged.
- **One person should represent the invoice and submit One Check payment for the entire group.**
- Area to be sprayed must be clearly marked with signs or flags 1 week before application date (TBD)
- Private roads within the township may apply for the discount.
- We will dustcoat driveways within the township, but there will be NO discount.
- Non-residents on our boundary roads will not receive a discount.
- Check our website for additional information and spray date when scheduled.
